Personal Statement:

I am a hard working man who has worked in demolition for thirty years. I'm good at working as an individual, and do well in team tasks. I'm an honest, trustworthy employee.

Key Skills:

- Have ten years experience driving high reach machines including an 870 Hitachi.
- Hold current blue card CPC to drive:
 - Excavator 360 below 10 tonnes – Tracked**
 - Excavator 360 below 10 tonnes – Wheeled**
 - Excavator 360 above 10 tonnes – Tracked**
 - Excavator 360 above 10 tonnes – Wheeled**
 - Demolition plant – Materials Processing**
 - Demolition plant – Demolishing up to 15m**
 - Demolition plant – Demolishing up to 30m**
 - Demolition plant – Demolishing all heights**
- Capable to work well under pressure and in completing deadlines.

Work:

- Tower Demolition
- Squibb and Davies
- John F Hunt Demolition
- John Woodvine (Sub)
- Keltbray Demolition
- Syd Bishop Demolition
- Sloan Demolition

With all companies I have driven from mini-diggers up to high reach machines. Also, good experience with ground works e.g.: Piling mats, levelling of ground and general ground work.

I have recently taken an asbestos awareness course with Prime Safety Group.
