

Tender Submission of the Year

When submitting your entries please try to give as much relevant and concise information as possible. This will enable the judges to fully understand your nomination, and to assess it fairly against other entrants.

NOTE: PLEASE DO NOT INCLUDE ANY FINANCIAL OR CONFIDENTIAL INFORMATION

Who can enter?

Any demolition contractor operating in the UK.

What the judges are looking for:

This category recognises any company that can demonstrate its understanding of a client's brief, a specific contract or a specific element of a larger contract and how this was factored into the creation of a detailed tender submission.

Successful submissions are preferred but unsuccessful tender submissions are equally welcome if they demonstrate a true understanding of the client's brief.

What to include

- Details of the overall contract or a specific portion thereof
- A copy of the tender submission (without financial information)
- Additional/supporting information that you provided to aid client understanding
- Full response to each key point. You are encouraged to include client testimonials
- Up to six hi-res photographs
- Your company logo
- You can also include a video (where appropriate) of up to 100MB in size

Your Organisation name:	
Your Name:
